9. ☐ Other _____

DETAILED ACTION

Allowable Subject Matter

1. **Claims 1-15**, are allowed.

The following is an examiner's statement of reasons for allowance:

Regarding claim 1, the present application teaches a portable radiotelephone wherein worn around the neck of a user where the microphone or the speaker are on the radiotelephone, and a speaker directly on the radio receiver or directly on the radiotelephone unit. The radiotelephone dialing a predetermined number when a key is pressed if there is no incoming call, and by pressing of at least one key when there is no incoming call will place a call at least one predetermined telephone address. The user can press a series of keys on the keypad to dial a telephone number by storing a predetermined number or dialing that number on a single key press. The phone continuing to place calls to a number on a designated list when a key has been pressed and when the predetermined number is busy, further pressing a key for an extended period to interrupt a call.

The closest prior art such as Nagase (US Publication 2002/0037751) teaches a radiotelephone with a central processing unit, a transmit and receive radio circuit with an antenna, a microphone, a front face with a speaker, and a keypad with at least one key. The radiotelephone allows easy silent mode use by providing visual feedback to the used as keys are pressed. Nagase fails to teach teaches a portable radiotelephone wherein worn around the neck of a user where the microphone or the speaker are on

the radiotelephone, and a speaker directly on the radio receiver or directly on the radiotelephone unit. The radiotelephone dialing a predetermined number when a key is pressed if there is no incoming call, and by pressing of at least one key when there is no incoming call will place a call at least one predetermined telephone address, and the phone continuing to place calls to a number on a designated list when a key has been pressed and when the predetermined number is busy, further pressing a key for an extended period to interrupt a call.

.Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Conclusion

2. Any responses to this action should be mailed to:

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Naghmeh Mehrpour whose telephone number is 571-272-7913. The examiner can normally be reached on 8:00- 6:00.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Nick Corsaro be reached (571) 272-7876.

The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.
